SUPERHEROES WANTED

You want to be part of Europe's fastest growing event on urban change and connect to 2,500 CityChangers from 60+ countries - plus get a behind the scenes look of the #1 meeting place for everybody involved with sustainable cities? This is your chance! We're currently looking for communicative, motivated people with team spirit, who are punctual and stress resistant. Wondering what's in it for you?

YOUR BENEFITS AS A VOLUNTEER

- Work one conference day, enjoy the second one as a guest
- Get inspired, involved, and network with CityChangers from hundreds of cities around the world
- 150+ speakers, 60+ sessions: dive in and explore our 6 programme tracks
- Get a behind the scenes look and gain experience in organizing an international conference for 2,500 participants at 4 venues
- Get a ticket for the official FuckUp Night and Aftershow-party

JOIN US AS A ...

- **Room Host** - making sure everything runs smoothly: connecting speakers, session chairs and technicians + capturing main messages for our social media channels
- **Venue & Programme Expert** - wiping away everyone's question marks with a smile on your face: know it all, so the participants don't have to - be it the programme or ways between venues
- **Partners' Angel** - reading our partners' and exhibitors' lips: making sure our expo area is a highlight to remember
- **Media Wizard** - capturing the conference for (social) media, interviewing, and making #UF23 a trending topic that can't be missed

HOW TO APPLY

We are highly motivated and passionate about making UF23 an unforgettable experience for CityChangers from all over the world. We love making things happen. But above all, we are absolutely crazy about the future of cities. So are you?
